INVITATION LETTER FOR WORLD INTERNET OF THINGS CONVENTION 2024

Dear Sir/Madam:

As a high-end, cutting-edge, leading annual event focusing on the IoT digital economy, the World Internet of Things Convention (WIOTC) has been held for consecutive 8 years. In recent years, the number of online and offline participants and viewers boasted 10 million on average annually, and the audience watching the live event has exceeded 200 million on an accumulative basis. The UN Secretary-General António Guterres delivered the speech for the annual event twice. The Chinese government website collected news about the event, and thousands of media outlets around the world, including Xinhua News Agency, China Central Television (CCTV, CGTN), Phoenix TV, PR Newswire, to name a few, joined the coverage.

In order to support the United Nations sustainable development agenda, bridge the digital divide, create a global model of intelligently interconnected digital economy in China, lead the innovative development of the world's interconnected digital economy, and support the construction of a community with a shared future for humankind, the international organization "World Internet of Things Convention" plans to convene the World Internet of Things Convention 2024 (the 9th annual convention) from November 3 to 4, 2024 in Beijing, China. Themed "A Fully Connected New World with A New Future for Digital Economy", the annual convention will consist of Opening Ceremony, Ambassador Forum, World New Economic Forum, Sustainable Development Forum on Digital Economy, International Cooperation Forum as well as tens of parallel sessions related to Industry, Agriculture, Transportation Auto Intelligence, Energy, Standard, AI, etc. The event will witness the release of the first

White Paper on the world Intelligently Interconnected Digital Economy. The Global Demonstration Enterprise Prize of Intelligently Interconnected Digital Economy, and Outstanding Cases in the Fully and Intelligently Connected Digital Economy, and World IoT Awards 2024 will be released and an award ceremony will be held for target companies at the event. We plan to invite the UN Secretary General, government leaders from relevant countries, diplomatic envoys to attend and deliver speeches onsite or virtually. Thousands of global IoT digital economy enterprises will participate in the annual event.

Welcome to apply for the Global Demonstration Enterprise Prize of Intelligently Interconnected Digital Economy, and Outstanding Cases in the Fully and Intelligently Connected Digital Economy, and World IoT Awards 2024.

We sincerely invite you to attend the World Internet of Things Convention 2024 and become our partners. Through the platform, there is a good time to showcase the corporate image and the latest outcomes and win the honors.

Welcome all companies to join us for this grand event.
